Protocol For Dealing With Children Not Collected From School At The End Of The School Day/Activity

Introduction

Under Section 175/157 of the Education Act 2002, Local Authorities, Maintained Schools, Independent Schools and Academies have a duty to safeguard and promote the welfare of children. This duty should include making arrangements for dealing with children not collected at the end of a school day, or at the end of a school activity which is authorised by the school, and where the Governing Body or Proprietor retains responsibility for the use of school premises.

This protocol is an example of arrangements which have been agreed by Children's Social Care and the Police.

St Laurence Catholic Primary School recognises that it has a statutory duty to safeguard and promote the welfare of pupils, and that this duty extends to having arrangements in place for dealing with children who are not collected at the end of a school day, or at the end of an authorised activity.

The protocol will be brought to the attention of parents, in writing, when their child starts school.

On admission of their child to the school, parents should supply:

- names and full addresses of parents/carers (and confirmation of parental responsibility)
- home and work telephone numbers
- mobile phone numbers where appropriate
- TWO emergency contacts who may be called in the event of the parents/carers being unobtainable or in the case of an emergency

This information should be updated annually or whenever circumstances change. It is the parent/carer's responsibility to ensure that the pupil is collected by a responsible person. The school must be notified immediately it becomes apparent that the person collecting the child may be late.

St Laurence Catholic Primary School agrees to care for a pupil who has not been collected from school, until such a time as he/she has been collected by a parent/carer, or until appropriate, alternative care arrangements have been made with Social Care, and/or the Police, in order to maintain the child's safety.

The Designated Safeguarding Lead in school will keep a record of incidents where parents/carers do not collect a child from school or are late for no explained or good reason, or where there are repeated incidents. If any concerns about the child's safety and welfare result, these will be dealt with in accordance with the School's Safeguarding and Child Protection Policy and Procedures.

In situations where the Head Teacher considers it appropriate, a letter will be sent to the parent/carer notifying them of the arrangements put into place for their child. An example is shown in Appendix A.

Procedures

- If a child is not collected by a parent/carer after the school day or approved activity, the Headteacher or Designated Person will be notified. Every effort will then be made to contact the parent/carer, or failing that, the emergency contact (see Appendix B).
- In the case of a pupil not being collected and no contact being made WITHIN ONE HOUR OF THE USUAL COLLECTION TIME, the school will ring Multi Agency Safeguarding Hub (MASH)/Emergency Duty team to discuss the concerns and ask advice. This will allow Social Care to be aware of the possibility that they may need to make arrangements for the alternative care of the child. For information which may need to be passed on, see Appendix C.
- The MASH should be the first point of contact. The Head Teacher, Designated Person, (or other senior member of staff should these be unavailable), should ring 0345 045 1362 and request a discussion with the Duty Social Worker for Children's Services.
- Social Care will give advice and make appropriate checks. However, school will continue to be responsible for trying to contact the parent/carer/emergency contact and to keep Social Care updated about the situation.

- If there are any concerns about the welfare of the parent/carer, Social Care may ask the local Police to visit the home address; please note that the Police cannot themselves provide a place of safety for a child(ren).
- If attempts to contact a parent/carer are still unsuccessful, school and Social Care will jointly take responsibility for arranging for children to be transported to the Social Care Unit/team, (or other appropriate venue) who will arrange a place of safety. This is considered to be a last resort and parent/carers should do their best to ensure that this is not necessary. Social Care will notify the school of the child's placement and provide contact details as appropriate. It will be the intention to return the child to the parents/carers at the earliest opportunity.
- It should be noted that Social Care offices close at 5.30pm on Monday – Thursday, and at 4.30pm on Friday. Schools should contact the Emergency Duty Team after these hours, on 01733 234724

Plans for transporting a child will comply with local arrangements concerning insurance, staff availability out of hours and any relevant information from the school relating to the child's special needs or behavioural difficulties. All occasions when a child or young person requires transport in an emergency situation must be recorded and reported to a senior manager and the parents.

- During office hours, the MASH will ensure that the relevant Social Care Unit/Team is alerted.
- Any call which results in action being taken by Social Care/Police should be followed up by an EHA or Joint Referral Form to Children's Social Care according to advice given to the school staff.

Regularly Transported Children

- Where arrangements are in place for a child to be transported regularly from school in approved Education transport, the driver will wait for five minutes and then inform the school or Education Transport (or Social Care if the others are not contactable).
- If other children have to be taken home, the child will remain in the vehicle while this is done.
- The driver will leave a proforma (see Appendix C) at the child's address with the relevant contact details. Unless directed otherwise, the driver will attempt to deliver the child home once more. In the meantime, the school or Education

Transport will liaise with Social Care via the MASH, on 0345 045 1362, in the event that the parent/carer is still unobtainable.

Major Incidents

- If an incident occurs which results in a large number of children not being collected, Social Care will be contacted at the earliest opportunity, because it may be necessary to accommodate the children at a single location until appropriate arrangements can be made. If the nature of the incident is serious, it may be that the arrangements will form part of the school's Critical Incident Plan and/or the Local Authority's emergency plan.

Appendix A

Dear _____	[Parent/Carer's name]
_____ [Child's name] was not collected from school on _____ day / date and we were unable to contact you or the emergency contact(s).	
As a result, in order to safeguard the welfare of your child/ren, the school was obliged to implement the procedure for dealing with children not collected at the end of the school day or school activity.	
This procedure, which has been agreed by Social Care, Education Transport and the Police, involved us contacting Social Care in order that arrangements could be made for your child to be taken to a safe place. I am sure that you will appreciate the importance of providing for your child in these circumstances.	
I hope that the reasons for your child not being collected are not serious, but would ask you to contact the school as soon as possible to discuss the matter further.	
Yours sincerely,	
Head Teacher.	

Appendix B

If a child is not collected, from their class teacher, within 10 minutes at the end of the day or designated activity the class teacher must take the child to the school office and inform the office staff (if not in school, the class teacher should contact the DSL).

A member of the office team will then try to contact with the child's parent/carer. All relevant telephone numbers should be called in an attempt to contact a responsible adult.

A child should never be released to an adult not on their safe list unless their parent/carer has emailed/called school to say otherwise.

If a parent/carer cannot be contacted within 20 minutes of the end of the day, the DSL should be notified.
