## KS1 Pupils’ Acceptable Use Policy

- I will use the school’s ICT equipment and tools (including computers, cameras etc.) for schoolwork and homework.
- If I need to use the school’s computers for anything else, I will ask for permission first.
- I will only use the internet and email when an adult is nearby.
- I will not share my passwords with other people
- I will tell my teacher if I think someone else knows my passwords.
- I will ask an adult before opening an email from someone I don’t know.
- I will not share details about myself such as surname, phone number or home address.
- I will ask if I need to look at other peoples’ work on the computer.
- I will try my hardest to only send messages which don’t upset other people.
- I will ask my teacher before using photos or video.
- If I see something on a screen which upsets me, I will always tell an adult.

I will do my best to follow these rules because I know they are there to keep me and my friends safe. If I don’t follow these rules, I know that my teacher may stop me using technology at school and talk to my parents about how I use technology.
