Spring Term - Newsletter 26 - May 2023

Through God's grace, a community growing in knowledge and understanding.

Attendance Goal - 96% Last week's attendance - 94.1%

We need to care for the earth so that it may continue, as God willed, to be a source of life for the entire human family.

Dear Parents and Carers,

SATS week has finished and, on behalf of myself and the UKS2 team, we are extremely proud of the resilience the children have shown. They showed great focus and determination and whatever the results, we know they've done their best.

The weather is getting warmer so please consider the summer uniform and ensure your child has a water bottle.

Have a lovely weekend!

This week in Nightingales

We have had a lovely week in Nightingales, we have been very busy!

In English, we finished our non-chronological reports about everything a plant needs to survive. We used sub-headings to make the paragraph topic clear to the reader as well as using question and statement sentences to engage the reader. During reading, we explored the wonderful achievements of the 'fantastically great women who changed the world'. We answered retrieval, inference and summarising questions based on the true life of Emmeline Pankhurst.

In Maths, we learnt about solving two-step word problems that include the 4 operations and using the most efficient methods for a problem. Word problems can be tricky to solve but Nightingales were resilient and worked hard to decode and answer them!

In P.E., we continued our preparation for sports day by improving our athletic skills. This week we focused on jumping and the strategies that can help us to jump a great distance. We remembered to bend our legs, use our powerful arms and land on both feet!

Before our Coronation Party, last Friday, we had a final practice of the song we would sing. The Nightingales have really enjoyed learning this song and sing it really well.

Attendance Matters

Just a little bit late doesn't seem much but......
