## **Breakfast and after school club at St Laurence Catholic Primary School**

Dear Parents and Carers

The Kidz Club is running the breakfast and afterschool club sessions at St Laurence Catholic Primary School. We are welcoming all the children and parents who would like to put their child/ren in our fun and lively environment.

We are providing our services in the safe and secure area of The Nest (Caretaker's house). We want to help the school and children receive the enjoyment and development that a good out of school setting can provide.

### **Our Vision**

We aim to create an environment where children WANT to come and do not want to leave. We want parents to be happy when they see their child/ren going home dirty because this means that your child/ren had a lot of fun and their time was well spent.

We have a strong focus on the play principles and firmly believe that children learn vast amounts through different types of play.
