

## **New breakfast and afterschool club at St Laurence Catholic Primary**

Dear Parent/ Carer

Kids R Us are excited to have been given the opportunity to run the out of school club at St Laurence Catholic Primary School. We will be opening a breakfast and after school club this coming September 2018 based in the former caretaker's house, now re-branded as The Nest. Having established a great reputation at our current clubs in Cambridgeshire, we want to help other schools and children receive the enjoyment and development that a good out of school setting can provide.

### **Our Vision**

Our vision has remained constant - we aim to create an environment where children WANT to attend our clubs rather than HAVE to! Our ethos is that children are always having fun and engaged in different types of activities. We have a strong focus on the play principles and firmly believe that children learn vast amounts through different types of play. We are based in Cambridge with over ten years' experience in wrap around care; our low staff turnover, parent feedback and relationship with the schools and teachers alone speaks volumes for the quality of our provision.

If you would like to find out more, please take a look at our website where you will find more information, past Ofsted reports, FAQs and how to book.
