Dear Children

Thank you for your generous gift of **£173.50** for **Mission Together**. Through your prayer and sharing you have reached out to children all over the world and you have become missionaries yourselves!

Last year, children in schools in England and Wales raised over £70,000 to help children like 12 year old Eunice who is being helped by a free school meal programme, run by the Assumption Sisters of Nairobi. This invaluable project enables children living in poverty to go to school and receive a healthy meal every day. Without the programme, the children would have to work to earn money to buy food for their families. By supporting **Mission Together**, you are living out our motto - **children helping children**. Your prayers and fundraising will make a huge difference to children living in poverty around the world.

This year, one of the countries that your gift will go to is Sri Lanka and children like 9 year old Ajay who lives on a tea estate. There is no running water so neighbours share an outside water tap and toilet and the nearest hospital is far away in town. Sister Ruby, with the support of **Mission Together**, brings nutrition and healthcare packs to the children and arranges for doctors and dentists to run clinics on the estate. Thanks to Sister Ruby, Ajay and his friends are growing up to be strong and healthy, meaning that they can attend school regularly and face an alternative future to that of their parents.

The projects **Mission Together** supports welcome all children and ensure that they are given the love, care and protection that Jesus calls for when he says, 'Let the children come to me.' Thank you again for your support of this important work.

With every blessing
