Dear Children

Thank you for your generous gift of **£280.80** for **Mission Together**. Through your prayers and sharing you have reached out to children all over the world and you have become missionaries yourselves!

Last year, children in primary schools in England and Wales raised over £60,000 for Mission Together and helped children like 9 year old Ajay who lives on a remote tea estate in Sri Lanka. Sister Ruby, with the support of **Mission Together**, brings nutrition and healthcare packs to the children and arranges for doctors and dentists to run clinics on the estate. By supporting **Mission Together**, you are living out our motto - **children helping children**. Your prayers and fundraising will make a huge difference to children living in poverty around the world.

This year, one of the countries that your gift will go to is Jordan and children like seven year old Sandra who is a pupil at the Marka School for Iraqi Refugees. When Sandra and her family fled Iraq they arrived in Jordan with nothing and had nowhere to live and nobody to turn to. The local parish in Marka found the family somewhere safe to stay and made a place for Sandra at their school. Now refugee children like Sandra can attend school regularly and, thanks to **Mission Together**, they have books, stationery and school bags to help them study and a daily snack and drink to stay healthy.

The projects **Mission Together** supports welcome all children and ensure that they are given the love, care and protection that Jesus calls for when he says, 'Let the children come to me.' Thank you again for your support of this important work.

With every blessing

Missio National Director
